JUNE — 2020

President's Message

Dear Boca Zontians,

It is my great honor to greet you all as your new club President for 2020-2022. I am happy to say that our members have stayed out of harm's way and that we are starting this year with hopes to do great things together.

COVID-19 has stopped many things; as a club we postponed our 45th Anniversary, close to three months of in-person board and business meetings, fellowship, hands-on volunteerism and opportunities to support our area service organizations and participate in the ZI annual convention in Chicago.

I would like to take a moment to thank our out-going President, Jane Adams, for not stopping. Jane never "left us in dark", she continued to update us on all matters Zonta related. On May 20th, she introduced us all to video conferencing enabling us to take care of business and lead us through our first video conferencing installation ceremony of our new Officers via GoToMeeting. Jane is an incredible leader and I find myself very fortunate to have her and yourselves as mentors during this endeavor.

As I am writing this opening message, I am delighted that we can meet in-person for our June monthly business meeting at the Pavilion. Until then, please be safe out there as the community opens up again.

Sincerely,

Shirin

Hope is important because
it can make the present moment
less difficult to bear. If we believe
that tomorrow will be better, we
can bear a hardship today.
